PUBLIC COMMENT

Mark Burgess discussed several issues and suggestions he brought up to the board. He thanked Jeff Chorpenning for the positive letter in the Beacon. He suggested if the board doesn't have an answer they table it to the next meeting. He feels the trustees need to act like leaders and stop the name calling. He feels zoning is out of control. Eric Fox doesn't run this township so why does the board refer to him so often. Giving the contract to Big O was the wrong decision. Need to post meetings on sign. Trustees responded to some of the things he said. Trustee Hupp said Eric Fox is our legal counsel so that is why we refer to him so often. Trustee Watkins said they only received one trash bid.

Dee Krier feels there should have been a meeting about the trash contract before it was awarded.

Ron Duval says the trash deal is over why not move on.

BOWLING GREEN TOWNSHIP BOARD OF TRUSTEES

Held: ^{Sept 27} ~~Sept 28~~, 2011 *JF*

Barb Selegue commented said that we voted in the trustees to make decisions for the township and we need to trust that they are making the right decisions.

Jack Hedges thinks the road work should be handled by all trustees not just one.

Jeff Chorpenning stated the trash contract affects every resident in the township not just residents on township roads. CMI is still picking up his trash and will continue to do so.

Will Kern would like to know why the public didn't hear mention of the \$5700 repair to the truck at any of the meetings. Trustee Hupp said the townships insurance company covered the cost of the repair.

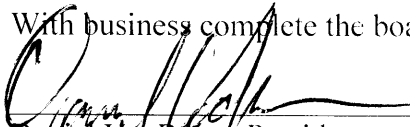

Jeff Chorpenning asked now that the trustees passed the resolution for 505.173 storage of junk motor vehicles, how will you handle what was done in the past. Trustee Watkins said he thought it was already in place. Jeff also asked why Geary Stepp has not received all of his records request and also requested copies of all of his requests.

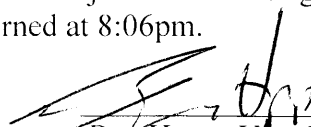

Bob Wess had his neighbor with him that said he saw the zoning inspector asking disrespectful on Wess' property. Zoning inspector daughter, who was also there that day, said she did not do anything inappropriate.

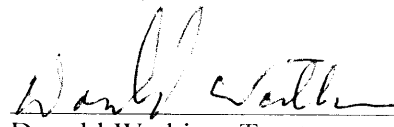

Trustee VanBuren made a motion to pay the bills; sign purchase orders and blanket certificates, and the bank statement. Trustee Watkins seconded the motion. Motion Carried. It is lawfully certified that the \$45,001.93 amount is lawfully appropriated to pay the bills by the fiscal officer.
