Zoning: The Barn on the Hill has come into compliance with water and sewer. The next step would be fire. Trustee Mack spoke to the fire departments. They can't do an inspection until they know what kind of business they plan to run.

There was a shed built in Amsterdam which is too close to the property lines. They will apply for a variance.

BOARD OF TRUSTEES

June 2, 2026

The zoning appeals board has schedule a public hearing on the application from Alum Creek for June 4th

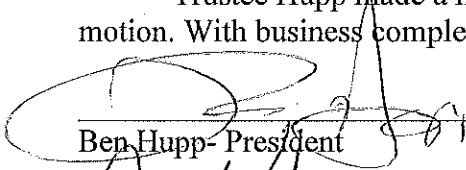

Unfinished Business: The new building is almost complete. Waiting on electric reinspection.

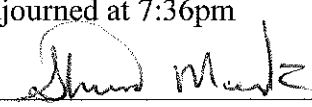

New Business: Trustee VanBuren suggested we get a bid for spot patching roads, then chip and seal over it. Trustee Mack doesn't feel the spot patching holds up. Need to figure out a way to prevent what we put down from falling apart. Don Watkins said the trustee from Marne is willing to use their Durapatcher to do some creak sealing.

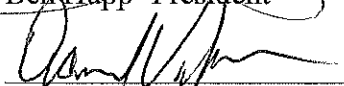

Public Comment:

Pete Smith said there is a blue Chevy truck on Somerset and wondered if there is anything the trustees can do. Somerset is a county road but Trustee Hupp will call county sheriff.

Trustee Hupp made a motion to adjourn the meeting. Trustee VanBuren seconded the motion. With business complete, the board adjourned at 7:36pm
