Safety: Everything is good.

Fire: FO had resolution to request that the county auditor to certify valuation and revenue information pursuant to ORC 5705.03(B). Trustee Hupp made a motion to accept the resolution. Trustee Mack seconded the motion. Full resolution on file with FO.

Zoning: Zoning inspector, Greg Reis, reported. He received request for 2 variance applications. One for the church on the corner of 40 and Linnville. They would like to change zoning on the property to commercial. Interested buyer would like to make it a quilt shop. The other one was for a pole barn house on National RD. They would like to split the lot but it's just under 10 acres.

He looked into the situation on The Barn on the Hill. The property was previously approved for septic for 1 bedroom. No permit for water use at the barn.

There will be a public hearing scheduled by the appeals board. The assistant prosecutor Darcy Cook feels, according to the court paperwork, there should be a public hearing.

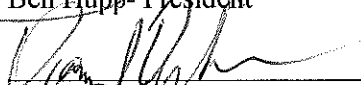

Unfinished Business: Update on the building construction. Just waiting on final inspection. Need to reseed grass.
